DEVELOPMENTAL TOUR

The Developmental Tour returns for its third season. Open to kids ages 8 – 13, this program is geared to provide lessons from the basics of the golf swing, putting, chipping and even etiquette. This group is known as the “B” Division. Little Creek will once again be our host facility with PGA Professional Jeff Van Etten handling instruction, along with Wayne Jacobs and Tom Long. These three instructors will evaluate the progress of all students. The “B” Division will run from 8:45 – 11:15 every Tuesday. Our program this year will consist of three 15-minute instructional stations. Followed by playing time. This year we will be using the back nine. Be sure to arrive early and get checked in. We are very excited to bring the Developmental Tour back again this year. We strive to help continue growing the game of golf in York County.
